How Much Risk
Is Right For You?

Managing Risk on Colorado Farms and Ranches

Colorado State University & Jackson County Extension invite you to discover risk management strategies and the right level of risk for you and your operation.

Participate in a **RightRisk** workshop being held in **Walden**. The presentations and activities will help you and your family or business partners gain a better understanding of the risks faced by your operation and your personal risk preferences.

Wednesday, September 19th 2007

6:00 pm - 8:30 pm

Jerelin Wattenberg Center

Jackson County Fairgrounds

Assessing Risks in Agriculture

Rod Sharp, Ag and Business Management Economist, Colorado State University
