

Surviving in Agriculture

The USDA's Risk Management Agency and AgRAEIS invite you to join us for **Surviving in Agriculture** a risk management workshop that will help your farm thrive in today's challenging environment. The workshop is designed to help you gain a better understanding of how to manage risk in your farm operation.

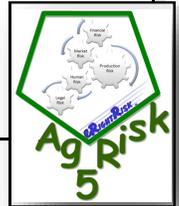

September 13th, 2016

5:30-7:00P

Delaware Farm Bureau

3457 South Dupont Highway | Camden, DE
