

“

I also plan to use what I have learned and the connections I have made to further my career in ranching. I very much appreciate the opportunity that this internship has provided to me! - 2022 Intern

”

Qualifications

Individuals 18 years or older who identify as ready to begin farming, or who have been involved in managing their own farm or ranch enterprise for *less than* 10 years

Earn Credit

The GrowinG Team is happy to help coordinate with you the documents you need to receive credit approved by your university!

Become An Intern

- Submit an application (required for both interns and hosts)
- Receive notice of acceptance from the GrowinG Team
- Be matched with a host
- Move to farm/ranch (room and board covered by host)
- Learn and gain hands-on experience on the farm/ranch for 10 weeks
- Submit Work Summaries weekly
- Attend at least one educational event
- Stipends provided by the GrowinG Program

“

My overall confidence and knowledge has grown so much through my GrowinG Internship this summer. I plan to continue building upon that new mentality of growth and experiences as I move off the ranch.

- 2022 Intern
